

## Norwich Road Runners Committee Meeting June 26<sup>th</sup> 2018

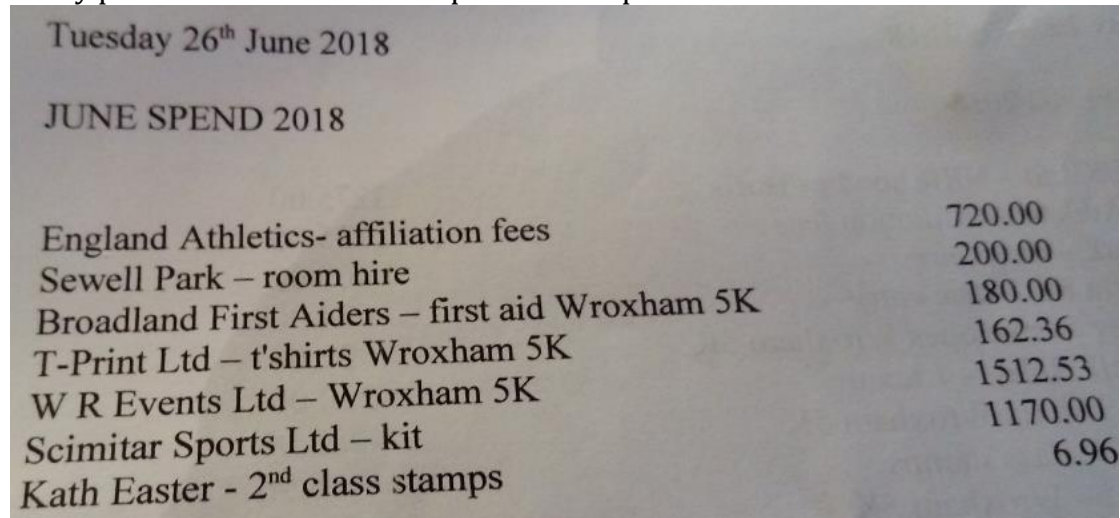

**Present:** Gary Cooper, Kathy Easter, Beryl Knowles, Mick Powell, Alma Simmons, Mark Betts, Jodie Causer, Wendy Smith, Dave Thomas

**Apologies:** Nicky Dowson, Paul Dowson, Chris Harrison, Glyn Manton

Minutes agreed from last meeting. Kathy provided a copy of the last month's expenditure.

David Robinson – we want to support this as we think it is a valuable social opportunity for members – however, don't want him to be out of pocket. Jodie will talk to him, thank him and ask if there is any way we can support him, either by a donation or support in kind. It was later suggested that we could donate left over tea bags, coffee etc. from Wroxham. (Update – he will provide receipts and we will reimburse)

Kathy presented this month's expenditure report.

The image shows a handwritten list of expenses for June 2018. The text is as follows:

Tuesday 26 <sup>th</sup> June 2018	
JUNE SPEND 2018	
England Athletics- affiliation fees	720.00
Sewell Park – room hire	200.00
Broadland First Aiders – first aid Wroxham 5K	180.00
T-Print Ltd – t'shirts Wroxham 5K	162.36
W R Events Ltd – Wroxham 5K	1512.53
Scimitar Sports Ltd – kit	1170.00
Kath Easter - 2 <sup>nd</sup> class stamps	6.96

Once all payments are processed, Kathy will provide a complete cost breakdown of the Wroxham series so that we can look at future improvements/modifications and how these might impact on race fees. (See below – Wroxham race report)

Membership – should hit 500 this month: 440 adults and 60 plus Juniors.

Juniors – many offers of help, Beryl to process these asap. Wroxham races went well, good attendance. EKIDEN teams in hand.

Clive Poyner (Chairman of Sportshall) is coming to the next Junior meeting to discuss our potential participation. We will bring information and a proposal to the next committee meeting.

There were no coaches present as they were attending a coaches meeting.

Club announcements – although Facebook is useful, we felt that club announcements were still needed. Jodie will send a bullet point list of

information for announcements so that whoever does them has the information. Wendy will do Mondays, Gary will do Tuesdays. Still some concern about who does Thursdays, but general feeling is that it shouldn't be the coach.

Need to discuss this at the next meeting with coaches – also to talk about the range of routes for Thursday sessions.

Race committee – in action with people volunteering to do tasks and doing them!

Wroxham – there were some difficulties with traffic management, including some problems with residents. However we are all set for the last race – with the road to be closed from 7.05 for 15 minutes.

We also discussed hiring 'traffic management' or paying for the road to be closed for an hour – this needs to be looked at for next year – linking in with the proposal that we see a breakdown of Wroxham costs. Also discussed paying for Chip Timing to put chips in bibs as at Humpty Dumpty 10k.

Broadland Half – Glyn to oversee November 2018.

Our preferred date for 2019 is March 3<sup>rd</sup>, although some checking is needed before confirming.

Jodie will check Broadland High School availability for the suggested Wroxham 2019 dates. These need to be confirmed at the ANRRC meeting in October.

EKIDEN

We may have to reduce the number of teams to 6 Juniors and 6 adults due to availability of members. Mark will book transport.

RNR – 3 teams to take part, team captains in place.

First Aid

We would like Glyn to get some suggested dates and reckon we can get 12 people.

AOB

Dave Thomas and Wendy would like to set up a 'talk to run' group. There are many examples of good practice that other clubs are using and the committee gave their backing to do this.

Date of next meeting – July 31<sup>st</sup> 7.30 pm
